论坛介绍

中国最具影响力的企业家思想交流平台,始终坚持正能量、创造性、建设性,始终秉持自由、平等独立、客观的精神,并将"帮助和关心更多新兴企业和企业家的成长、促进企业家成为社会和国家重要的建设力量"作为一贯宗旨。

出身 — 草根、民间、独立

2001年正月十五,一群来自民间的草根企业家相聚亚布力,组建起了一个属于他们自己的舞台,中国企业家论坛。十余年来,作为独立机构,它始终坚持发出企业家们来自民间的、最真实的声音,没有包装,没有修饰。这吸引了一大批企业家、学者的到来,而这种吸引将会一直持续下去。

形式 — 开放、休闲、非正式

在这里,他们不必西装革履,不必谨言慎行。相反,他们既可以唇枪舌剑,也可以雪上争锋;既可以在各分会场自由出入,甚至参与讨论,也可以与三五好友,静待一隅,在咖啡的浓香中探讨企业经营之道。

精神 —— 平等、自由、客观

这里没有权威,没有大佬。在毫无限制的环境下,他们畅所欲言。 任何人都可以对他人的观点持有异议,也可以在他人的异议下 据理力争。

价值 —— 交流、学习、思想力

从经营理念到人生价值观,从现实考量到历史总结,从个人目标 到社会使命,中国企业家关注并思考着企业发展的每一个细节。 而在这里,他们分享自己的种种思考,也在交流中总结他人可资 借鉴的成功之道,寻找自身企业经营的短板,进而在年复一年的 交流与辩论中成长为最有思想力的企业家。

ABOUT FORUM

As the most influential thought-exchange platform for entrepreneurs in China, the China Entrepreneurs Forum (CEF) is devoted to its mission of "fostering the growth of emerging enterprises and founders, and guiding the transformation of entrepreneurs into a driving force in societal and national contributions". At its core, CEF pursues its aspirations on the principles of freedom, equality, independence, and objectivity, all in an environment of optimism, constructiveness, and creativity.

ORIGIN - GRASSROOTS, COMMUNITY-ORIENTED, INDEPENDENT

On February 7th of 2001, a group of grassroots entrepreneurs convened in Yabuli to build a platform on which to share their thoughts and expertise; this stage for innovation grew to become CEF. In the following decade, CEF – an independent organization – served as a mouthpiece for other grassroots entrepreneurs while dedicating itself to truth sans embellishments. Attracting groups of founders and scholars, CEF's influence and appeal will continue on for decades to come.

FORM - OPEN, CASUAL, INFORMAL

CEF provides a space where formalities in dress and speech are omitted, and where all members can engage in casual conversations or heated debates, freely enter or exit venues, and discuss business with friends and colleagues over a cup of coffee.

IDEALS – EQUAL, FREE, OBJECTIVE

CEF members are not restricted by authority or ultimate truths. Instead, they are encouraged to address their disagreements, persuade their oppositions, challenge their peers, and communicate their opinions.

VALUE - COMMUNICATION, LEARNING, THOUGHT

From business concepts to personal values, from practical considerations to past experiences, and from personal goals to societal objectives, Chinese entrepreneurs seek to understand every aspect and detail to the development of a successful business. At CEF, the stage is set for them to share their thinking, learn from the stories of others, identify their own strengths and weaknesses, and grow to be more knowledgeable and thoughtful leaders in their fields year after year.

成果

许多年来,主流媒体经常有意无意地曲解、遮蔽、遗漏企业家的声音,大众总是在一个不周全的位置,接受不完整的企业家信息。只有在亚布力的冰天雪地中,企业家才真正回到民间、回到真实、回到自我。

正是基于这样的特点,我们本着"记录"的宗旨,记录下了中国企业家们对从经营理念到人生价值观,从现实考量到历史总结,从个人目标到社会使命等方方面面的思考与探索,希望能凭借这一系列丛书为中国企业界的领导者群体提供参考和启发。

而这也是我们的白皮书系列、企业思想家系列、九二派应运而生的价值所在。

ACHIEVEMENTS

For many years, the main stream media has often misinterpreted, hidden or missed the voices of entrepreneurs both deliberately or unintentionally. People have been put on a position where they cannot get hold of the comprehensive information. Only at Yabuli, entrepreneurs can return to the nature, the nature of themselves.

Based on this character, we hold the purpose of "recording". We recorded the thinking and exploration of those Chinese entrepreneurs, from management philosophy to values of life, from measurements of the current to the summary of the past, from their personal goals to community responsibilities. We hope that this series of books could provide the leaders of current Chinese business world with more in-depth references and inspirations.

And this is also our original intention to produce the white paper series, the entrepreneur philosophy series and the business pioneers who started their business in 1992.
