论坛介绍

中国企业家思想交流平台

亚布力中国企业家论坛是企业家思想交流平台，始终坚持正能量、创造性、建设性，并将“帮助和关心更多新兴企业和企业家的成长、促进企业家成为社会和国家重要的建设力量”作为一贯宗旨。

目前亚布力论坛是全国工商联直属团体会员！

出身 —— 草根、民间、市场

2001年正月十五，一群来自民间的草根企业家相聚亚布力，组建起了一个属于他们自己的舞台，中国企业家论坛。二十余年来，作为独立机构，它始终坚持发出企业家们来自民间的、最真实的声音，没有包装，没有修饰。这吸引了一大批企业家、学者的到来，而这种吸引将会一直持续下去。

形式 —— 开放、休闲、多元

在这里，他们不必西装革履，不必谨言慎行。相反，他们既可以唇枪舌剑，也可以雪上争锋；既可以在各分会自由出入，甚至参与讨论，也可以与三五好友，静待一隅，在咖啡的浓香中探讨企业经营之道。

精神 —— 平等、包容、责任

这里没有大佬。企业家畅所欲言。任何人都可以对他人的观点持有异议，也可以在他人的异议下据理力争。企业家不分行业、不分区域、无论大小，以推动经济发展为己任，聚焦新课题，共谋新发展。

价值 —— 学习力、驱动力、思想力

从经营理念到人生价值观，从现实考量到历史总结，从个人目标到社会使命，中国企业家关注并思考着企业发展的每一个细节。而在这里，他们分享自己的种种思考，也在交流中总结他人可资借鉴的成功之道，寻找自身企业经营的短板，进而在年复一年的交流与辩论中成长为最有思想力的企业家。

ABOUT FORUM

CHINESE ENTREPRENEUR IDEA EXCHANGE PLATFORM

exchange platform for entrepreneurs in China, the China Entrepreneurs Forum (CEF) is devoted to its mission of “fostering the growth of emerging enterprises and founders, and guiding the transformation of entrepreneurs into a driving force in societal and national contributions”. At its core, CEF pursues its aspirations on the principles of freedom, equality, independence, and objectivity, all in an environment of optimism, constructiveness, and creativity. CEF is a member of the group directly under the All-China Federation of Industry and Commerce.

ORIGIN — GRASSROOTS, COMMUNITY-ORIENTED, MARKET

On February 7th of 2001, a group of grassroots entrepreneurs convened in Yabuli to build a platform on which to share their thoughts and expertise; this stage for innovation grew to become CEF. In the following two decades, CEF – an independent organization – served as a mouthpiece for other grassroots entrepreneurs while dedicating itself to truth sans embellishments. Attracting groups of founders and scholars, CEF’s influence and appeal will continue on for decades to come.

FORM — OPEN, CASUAL, DIVERSIFIED

CEF provides a space where formalities in dress and speech are omitted, and where all members can engage in casual conversations or heated debates, freely enter or exit venues, and discuss business with friends and colleagues over a cup of coffee.

IDEALS — EQUAL, INCLUSIVE, RESPONSIBLE

CEF members are not restricted by authority or ultimate truths. Instead, they are encouraged to address their disagreements, persuade their oppositions, challenge their peers, and communicate their opinions.

VALUE — LEARNING, DRIVING FORCE, THOUGHT

From business concepts to personal values, from practical considerations to past experiences, and from personal goals to societal objectives, Chinese entrepreneurs seek to understand every aspect and detail to the development of a successful business. At CEF, the stage is set for them to share their thinking, learn from the stories of others, identify their own strengths and weaknesses, and grow to be more knowledgeable and thoughtful leaders in their fields year after year.

论坛介绍

青年论坛

随着互联网时代的到来，从传统行业到新兴行业都纷纷加入互联网的大潮中，甚至有人说一切行业都将互联网化，而80、90后恰恰是最熟悉互联网的一代。从PC到智能手机，青年一代见证了移动互联网的发展，拥有最直接的感观和体验，具备最新颖的思维和视角。“独立思考、敢于颠覆”是青年一代的标志。

青年一代普遍接受过良好的高等教育，具有全球化思维，在市场经济的竞争环境中对于行业趋势把握和企业创新变革有着不同于老一辈企业家的独到见解。

步入社会后，青年一代创业者受到了资本市场的高度关注，逐渐成为各行各业的创业主力军，为经济和社会发展贡献重要力量。

亚布力中国企业家论坛持续关注青年一代的企业家，在每年的亚布力论坛年会、夏峰会上都设有专门的分论坛，邀请各路青年才俊，一同探讨新时代下的创业思路与机遇。

为了给青年一代提供更多的交流机会和展示舞台，让创新思维之花在青年一代中盛开，为社会发展凝聚更强的动力，亚布力青年论坛应运而生。

YOUTH FORUM

With the advent of the Internet era coming, the traditional industries and emerging industries both have joined the tide of Internet. Some people say that all the industries will be becoming the “Internet”, the young people born in 80- 90 are the most familiar with the Internet generation. From the PC to the intelligent mobile phone, the younger generation has witnessed the development of mobile Internet, has the most direct sense and experience, with the most innovative thinking and perspective. "Independent thinking and the courage to subvert" is the symbol of the young generation.

The young generation generally received good education, with globalization thinking, the different insights from the older generation of entrepreneurs for the industry to grasp the trend of enterprise innovation in the market economy environment competition.

After stepping into the society, young generation of entrepreneurs has been highly concerned by the capital market, has gradually become the main force contribution of entrepreneurship in all walks of life, contributes an important force for economic and social development.

Yabuli China entrepreneurs forum continued attention to the young generation of entrepreneurs, every year on the Yabuli forum annual meeting, summer summit meeting has a dedicated sub forum, invited the young talents, to discuss business ideas and opportunities in the new era.

In order to provide the young generation more opportunities for exchange and stage show, let the creative thinking in the bloom of the young generation, cohesion stronger impetus for social development, emerge as the times require Yabuli Innovation Forum.

YABULI RESEARCH CENTER IS RELYING ON THE YABULI CHINA ENTREPRENEURS FORUM

Yabuli Research Center is relying on the Yabuli China Entrepreneurs Forum. By the original heart and responsibility of all members of the Yabuli China Entrepreneurs Forum, we gathered 20 years of Yabuli Chinese entrepreneurs' business ideas and entrepreneurial hearts into lessons, and work together to create a return to the community of entrepreneurs growth platform. The aim is to promote and pass on the entrepreneurial spirit and cultivate a new generation of entrepreneurs with a sense of social responsibility and courage.

Focusing on the core of entrepreneurship, the Yabuli Research and Training Center has launched the "Entrepreneurship" characteristic courses, the "Yabuli Growth Plan" core courses and a customized curriculum system with rich content forms. The Yabuli Growth Plan is an entrepreneurial growth plan grandly launched by the Yabuli China Entrepreneurs Forum over the past two decades. It aims to recruit students from growing Chinese entrepreneurs facing the future and leading the world to jointly create future new economic business leaders. The "Characteristic Course of Entrepreneurship" is the crystallization of Yabuli's 20 years of wisdom and the source of China's outstanding entrepreneurs' ideas and strength. It is also a sublimation course for the All-China Federation of Industry and Commerce to call on the majority of private entrepreneurs to better practice outstanding entrepreneurship. "Enterprise Customized Course" is Yabuli's personalized training solution for corporate management. Mainly based on the challenges faced by each company's development strategy, corporate culture, business ecology, etc., to help companies find problems and propose targeted training solutions.

The Yabuli Training Center has a large number of excellent Chinese enterprises and excellent entrepreneurs who are distributed in different industries and regions. They are the most original and practical teaching resources in the Chinese business field. The Yabuli Training Center is a platform for entrepreneurs to find, improve, and practice themselves. It is also a platform for entrepreneurs to find each other, empower each other, and achieve common goals.

成果

许多年来，主流媒体经常有意无意地曲解、遮蔽、遗漏企业家的声音，大众总是在一个不周全的位置，接受不完整的企业家信息。只有在亚布力的冰天雪地中，企业家才真正回到民间、回到真实、回到自我。

正是基于这样的特点，我们本着“记录”的宗旨，记录下了中国企业家们对从经营理念到人生价值观，从现实考量到历史总结，从个人目标到社会使命等方方面面的思考与探索，希望能凭借这一系列丛书为中国企业界的领导者群体提供参考和启发。

而这也是我们的白皮书系列、企业思想家系列、九二派应运而生的价值所在。

ACHIEVEMENTS

For many years, the main stream media has often misinterpreted, hidden or missed the voices of entrepreneurs both deliberately or unintentionally. People have been put on a position where they cannot get hold of the comprehensive information. Only at Yabuli, entrepreneurs can return to the nature, the nature of themselves.

Based on this character, we hold the purpose of “recording”. We recorded the thinking and exploration of those Chinese entrepreneurs, from management philosophy to values of life, from measurements of the current to the summary of the past, from their personal goals to community responsibilities. We hope that this series of books could provide the leaders of current Chinese business world with more in-depth references and inspirations.

And this is also our original intention to produce the white paper series, the entrepreneur philosophy series and the business pioneers who started their business in 1992.
